Casual Registered/Enrolled Nurse

North Blackwater General Practice is seeking applications from suitably qualified nurses to join our busy practice, in Blackwater two hours west of Rockhampton.

Our modern practice boasts 10 consulting rooms, a treatment room and a nurse's room. The practice currently has 2 GP's, Practice Manager, 2 nurses and 4 reception staff. This large practice offers a variety of services to patients. We also host other visiting health professionals such as psychologist, diabetes educators, allied health and midwife. Pathology services are based on site.

The Practice is located in Blackwater which is a small mining town in the Central Highlands approximately 200km west of Rockhampton and is home to approximately 6500 residents (including the surrounding areas). Blackwater has traditionally been a mining town and is home to both permanent and FIFO residents. Mining and mining related activities are the main source of income in the region along with agriculture and retail. The Blackwater area is serviced by the Blackwater shopping centre, council office, and schools to year 12, churches, a hospital, emergency services, the courthouse and civic centre. Blackwater also has a wide variety of recreational, cultural, sporting and leisure groups including an arts and crafts centre, swimming pool and sporting fields which are actively utilized by the community.

Suitable candidates must meet the following criteria:

- Registered nurse licensed to practice in QLD
- Current driver's license
- Experience working in a primary health care setting
- Able to work as part of a small team
- Excellent communication skills with patients, their families and with the other members of the general practice team.

Terms and conditions will be as per the Nurses Award 2010 (MA000034).

If you feel that you meet the criteria please forward your **resume by Monday 10th April 2018** to:
