

IT'S HERE LEADERSHIP 2040

**That's right, it's all about
Leadership competence that will
drive long-term sustainability
well into the future!**

Why: The workplace and workforce are
perpetually changing.

When: February 20th & 21st, 2023

Where: Mount Laurel, New Jersey

Program Description:

Leadership 2040 is a two-day, small group program designed to be highly experiential. Participants will gain knowledge relative to the trends that are shaping leadership now and in the future. Key trends like; Distance Leadership; the new talent landscape, the pace of change, morality, ethics and transparency, to name a few. This program will support participants in being the new type of leader who is innovative and can create and navigate change. They will focus on key leader competencies that facilitate a community of trust, safety, and empowerment.

Leadership 2040 is a 4-Part Experience:

- Part I* – Dynamic Leader Communication
- Part II* – High Impact Leader Presence
- Part III* – From Ally to Advocate
- Part IV* – Peak Performance

Target Audience:

Emerging and seasoned leaders who want to ensure they possess a level of leader competence and conviction that will prepare them for the future of work.

Registration: Limited Seating Available
