

LEADERSHIP 2040

That's right, it's all about Leadership competence that will drive long-term sustainability well into the future!

Why: The workplace and workforce are perpetually changing.

When: February 26-27, 2026, or email for future dates
Email: dtesoriero@yourtotalhrsolution.com

Where: 921 Pleasant Valley Avenue
Mount Laurel, NJ 08054

Program Description:

Leadership 2040 is a two-day, small group program designed to be highly experiential. Participants will gain knowledge relative to the trends that are shaping leadership now and in the future. Key trends like; Distance Leadership; the new talent landscape, the pace of change, morality, ethics and transparency, to name a few. This program will support participants in being the new type of leader who is innovative and can create and navigate change. They will focus on key leader competencies that facilitate a community of trust, safety, and empowerment.

Leadership 2040 is a 4-Part Experience:

- Part I* – Dynamic Leader Communication
- Part II* – Building & Sustaining Stakeholder Relationships
- Part III* – Reframing for Success
- Part IV* – Peak Leader Performance

Target Audience:

Emerging and seasoned leaders who want to ensure they possess a level of leader competence and conviction that will prepare them for the future of work.

On-site training for larger groups available upon request
