LOCAL GULF COAST BUSINESS EXCEEDS DONATION GOAL AND RAISES \$3,085 FOR HABITAT FOR HUMANITY OF BALDWIN COUNTY WOMEN BUILD

Robertsdale, AL (July 23, 2018) – BIS Technology Group, the leading technology provider and digital marketing firm on the Gulf Coast, exceeded their fundraising goal and raised \$3,085 for Habitat for Humanity of Baldwin County Women Build where women come together to serve the community.

More than twelve BIS female employees and their families participated in the build on Saturday, June 9th, 2018 in Daphne, Alabama. The BIS Builds for Baldwin County team spent the rest of June raising donations by reaching out to local businesses and community members. They also partnered with Krispy Kreme to sell donuts at Lake Forest and Coastal Alabama Farmers and Fishermen's Market.

The house is expected to be completed sometime in August.

"It's been great to see the community come together to really help a family in need," said Phillip Long, CEO of BIS Technology Group. "I've seen an outstanding amount of support and donations come through from our clients, vendors and employees. I know the ladies of BIS have really worked hard in raising the funds."

BIS Technology Group recognizes the following businesses for their contributions to the cause: P & R Mining Inc, Advanced Transmission, Island Orthodontics, Sweat Tire Co., Gulf Shores Title Co., Pepperbox Solutions, Fabre Engineering & Surveying, Thomas Roofing, Brown Financial Advisory, The Darling Agency, The Hardy Brock Consulting Firm, P.C. and Dentistry of Foley. The following individuals donated to the campaign: Richard and Judith Thompson, Staci Hazeur, Hailey Owen, Tim Wells, Jim Sfakianos, Emily Holland, Donna Davis, Angela Leaver, and Shelley and James Owen JR.

About BIS Technology Group

BIS Technology Group is the technology leader on the Gulf Coast and is comprised of four divisions: information technology, web design & digital marketing, office equipment and business consulting. Together these divisions help local businesses exceed expectations and allow them to group to their full potential while minimizing risks. BIS is located in Robertsdale, AL.
