

Organize My Meds

Compliance Packaging

**Taking Multiple
Medications can be
confusing.
This makes it easy!**

Taking your meds at the right time on the right day just got easier

- We have a safe, clean and convenient medication packaging system
- Individual blisters are filled directly by your pharmacy to prevent mistakes
- Color coded for the time of day so that you know when to take each dose of your medication
- Perforated and detachable doses that you can take with you for one dose or multiple doses

*Ask the pharmacist about
how to organize your meds
with Organize My Meds -
Compliance Packaging*
