## Synchronize Your Prescriptions

A trip to the pharmacy each month allows you to manage your prescriptions and reach your health goals.

You don't have to worry about refilling your prescriptions or running out of important medications.

# SYNC My Meds Details

### Coordinate a Date

Choose the date each month that is most convenient for your prescriptions to be filled. You will receive a phone call about a week before they are filled to check and see if there have been any changes to your medications.

### Ready Notification

After your prescriptions are filled, we will contact you to let you know that your prescriptions are ready to be picked up at the pharmacy.

### Free Consultation

Each month, we will be available to meet with you to discuss any questions, problems, or concerns you may have about your health or medications. We are here to help you.

### Simplify Your Life.
