

***Refer a business  
associate and  
receive free  
service!***

## ITS Client Referral Program

- Receive a credit on your phone bill for the amount of the referred customers first full month bill (less any set-up fees and taxes) for every referral that becomes a \*New Client.
- You can be confident that the Clients you refer will receive the same quality telecommunications or networking services that you have experienced.
- **It's easy**, so start telling your business associates, friends and family members who own or manage a business today!

\*New Client, for the purpose of the Client Referral Program is defined as a new client that signs up for any ITS services for a minimum two-year term.

To learn more call 1-800-876-4ITS  
or to submit a referral, simply go to
