

Professional Voice Recorded Messages

Helping your business to stand out above the rest.

Professional Voice Recorded Messages

With Professional Voice Recorded Messages not only will you improve your company's image, but you'll be able to communicate exactly what you want your customers to hear when they call you!

We have packages for customized advertising on hold, auto attendant routing prompts, and voice mail messages.

Benefits of ITS Professional Voice Recorded Messaging

- ◆ Customers will enjoy calling and navigating your phone system
- ◆ Professional company image
- ◆ Customers become a captive audience while on hold
- ◆ Messages are customized for your business needs
- ◆ Scripts developed with your messaging
- ◆ Works with most phone systems

Also available are packages designed specifically to compliment the ITS Hosted IP PBX Solution.
