Integrated Telemanagement Services announced that CRN, a brand of The Channel Company, has named ITS to its 2017 Managed Service Provider 500 list in the Pioneer 250 category.

This annual list recognizes North American solution providers with cutting-edge approaches to delivering managed services. Their offerings help companies navigate the complex and ever-changing landscape of information technology, improve operational efficiencies and maximize their return on IT investments.

Since 1990, ITS has been providing small and medium-sized businesses IT and telephony solutions, services and support that help organizations achieve more growth and greater success. Its headquarters are in Simi Valley.

“Our customers depend on us to stay on top of technology and simplify it for them so they can focus on their business, confident that ITS is managing the technology that makes their business run,” said Sharon Woods, ITS president and CEO

The MSP500 list will be featured in the February 2017 issue of CRN and online at <http://www.crn.com/msp500>.
