

ITS Recognized on CRN's 2023 MSP 500 List

Simi Valley, CA, February 22, 2023 — ITS – Integrated Telemanagement Services, Inc. announced today that [CRN®](#), a brand of [The Channel Company](#), has named ITS to its Managed Service Provider (MSP) 500 list in the Pioneer 250 category for 2023. CRN's annual MSP 500 list identifies the industry-leading service providers in North America who are driving a new wave of growth and innovation for the channel through forward-thinking approaches to managed services, helping end users increase efficiency and simplify IT solutions while maximizing their return on investment.

MSPs have become a vital part of the success of businesses worldwide. MSPs not only empower organizations to leverage intricate technologies but also help them keep a strict focus on their core business goals without straining their budgets.

The annual MSP 500 list is divided into three sections: the MSP Pioneer 250, recognizing companies with business models weighted toward managed services and largely focused on the SMB market; the MSP Elite 150, recognizing large, data center-focused MSPs with a strong mix of on- and off-premises services; and the Managed Security 100, recognizing MSPs focused primarily on off-premises and cloud-based security services.

“MSPs continue to see increased demand for their managed communications, collaboration, and security services,” said Blaine Raddon, CEO of The Channel Company. “The solution providers on our 2023 MSP 500 list deserve credit for their innovative and game-changing approaches to managed services in these unpredictable times, as well as their ability to optimize operational efficiencies and systems without straining IT budgets.”

“We are thrilled to once again be recognized for our work and proud to share this recognition with our exceptional team,” said Sharon Woods, President and CEO of ITS. “Our success is a direct result of the collaborative effort and commitment to excellence demonstrated by every member of our team.”

The MSP 500 list will be featured in the February 2023 issue of CRN and online at www.crn.com/msp500.

About ITS

Since 1990, ITS has inspired small and medium-sized businesses to embrace technology by providing IT and telephone solutions, services, and white-glove support that assist organizations in achieving greater growth and success.
