

KEVINCHRISTISON

SCULPTOR-DESIGNER-CURATOR

BORN: Silver Spring, Maryland, USA 1968

EDUCATION:

BFA, California College of the Arts 1998

Art History, University of Oregon, 1987-1990

AWARDS: Fulbright Scholar – Sculpture and Bronze Casting, Silpakorn University, Thailand, 2002-2004

Kevin is a highly motivated and passionately creative professional with practical experience spanning an unusually broad range of genre, from sculpture and painting to the manufacturing processes of metal casting and fabrication, glass blowing and glass casting, and wood and natural fibers. He has exhibited his sculpture and paintings widely in the U.S. and Asia for nearly three decades, as well as having founded and directed Art and Design programs which emphasize the reclamation of waste materials. Kevin also has a deep knowledge and experience in the commercial design process, from schematic and conceptual design phases through construction to handover.
