The ADA Plus Two-Stall Restroom Unit is designed to accommodate larger groups of people including individuals with disabilities. The ADA (Americans with Disabilities Act) unit conforms to all applicable portions of the ADA Guidelines. In addition to being a restroom for large public events, this unit is perfect for business remodels that require restroom facilities that meet ADAAG requirements. This unit may also be combined with additional Portable Restrooms to serve events such as festivals and fundraisers. It is also ideal for serving those in need during emergency situations, or in any case where power and water sources are not readily available.

The ADA Restroom ADA Plus Two-Stall Unit includes one male restroom furnished with a sink, toilet, and urinal, one female restroom and one unisex ADA restroom, each with a sink and toilet. Whether used for a special event or emergency situation, C & L provides individuals with the comforts of home in clean, private, and spacious stalls featuring:

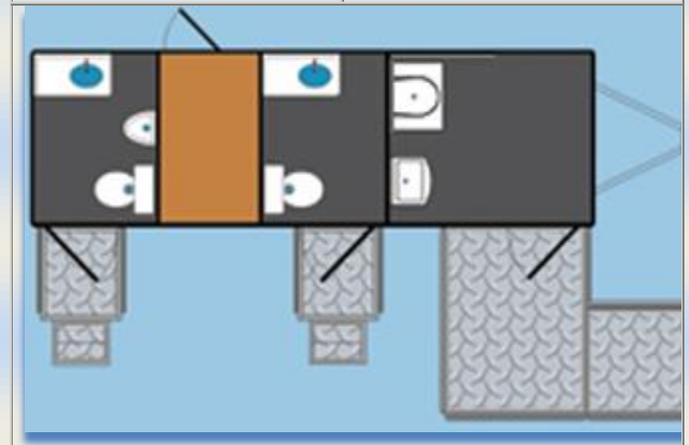

- **Flushing Porcelain Toilets**
- **Sinks with Running Water**
- **(Hot water optional)**
- **Vanities and Mirrors**
- **Soap and Hand Towels**
- **Air Conditioning or Heat**
- **Low Level Outdoor Lighting**
- **Occupancy Light Indicators**
- **Dual Handrails and Low Entry Platforms**

The ADA Plus Two-Stall Unit is completely self-contained and is operable using 110 volt outlet or generator for the lights and heat or air conditioner. Water is supplied by a spigot and garden hose or a 125 gallon on-board fresh water holding tank. The unit houses a 450 gallon waste holding tank.
