Capstone Information Technologies Acquires Leading Edge Technology Group

Rochester, NY- April 15, 2013

ROCHESTER NY, Mar 28, 2013 -- Capstone Information Technologies, Inc. a leading provider of computer support services, announces the recent acquisition of Leading Edge Technology Group LLC, an IT service provider in the healthcare market.

Leading Edge Technology Group was formed in 2005 by Alan L Larson, President. Leading Edge provides IT support for the dental, medical, and vision market. With over 8 years of specialization in healthcare technology, they deliver IT support and services to practices in the Greater Rochester area.

"We're truly excited to be part of this acquisition. As a larger organization, our existing and new healthcare clients will benefit from our industry expertise, 24X7 support and a highly skilled engineering support team." said Alan L Larson, President of Leading Edge Technology Group.

"The acquisition of Leading Edge Technology Group will enhance our strategic business growth into the healthcare vertical market." said Sitima Fowler, Co-CEO of Capstone Information Technologies. "By combining resources, we now have the expertise needed to help medical, dental, and vision practices more fully leverage technology. Most healthcare practices just want their computers to work and be HIPAA compliant. We now have the expertise to help them integrate their EMR and Practice Management software with the rest of the office functions so they can serve their patients efficiently and securely."

Leading Edge has moved all operations to Capstone Headquarters; 252 Plymouth Ave., S., Rochester, NY 14608.
