## **Parsippany IT Support Company and Cloud Service Provider Wins Business Growth Award**

### **Clients Win with Combined Knowledge and Expertise of the Team**

**Parsippany, NJ — August 23, 2013** — MetroMSP, ([www.MetroMSP.com](http://www.MetroMSP.com)) a Cloud Computing Service Provider and IT Support Company headquartered in Parsippany, NJ is pleased to announce that it won the Robin Robins Producers Club Accountability Group of the Quarter award.

“We couldn’t have done it without the help of my colleagues”, said Bob Michie, Chief Technology Strategist and Co-Founder of MetroMSP. “The award is given as a group, and we weren’t alone in receiving it. Everyone worked hard at building our businesses this year and it’s really starting to show” Michie went on, referencing the other members in the group; Jay Parisi of Aegis Technology Partners ([www.aegistp.com](http://www.aegistp.com)), Keith Carrizosa of

Azure Horizons ([www.azure-horizons.com](http://www.azure-horizons.com)), Kim Nielsen of Computer Technologies, Inc. ([www.cti-mi.com](http://www.cti-mi.com)), Bob Milliken of Cascadia Systems Group ([www.cascadiasystemsgroup.com](http://www.cascadiasystemsgroup.com)), Matt Weaver of Echo Systems ([www.echosystems.us](http://www.echosystems.us)), Sean Robertson of Strategic Technology Associates, Inc ([www.stai.ca](http://www.stai.ca)) and Kevin Justus of Shoreline Information Technologies ([www.shorelineit.com](http://www.shorelineit.com)).

The Accountability Group, known as the Accelerators, has weekly conference calls and quarterly meetings with the intent of identifying ways to ease their client’s IT pain and assisting and holding one another accountable towards their business goals. “It’s like having a board of directors and an executive management team” Michie added. “Our clients have the added benefit of knowing they’re partnering with a company that’s here for the long haul and has outside resources we can count on.”

The Accelerators is one of 30 groups consisting of 270 member companies that represent some of the top IT companies in the world. The award recognizes the best improvement from Q1 to Q2 based on revenue, monthly contracts and income.
