Your firm is better with Hosted Desktops

"Since we've been in the cloud, **we have reliable productivity**... We are increasing the pace and reliability of our firms communication and our practice is growing thanks to the i-worx cloud."

Digby Leigh & Company

"We are a boutique law firm, and [with hosted desktops] **we have everything we need to take on the dynamic needs of our team and clients.**"

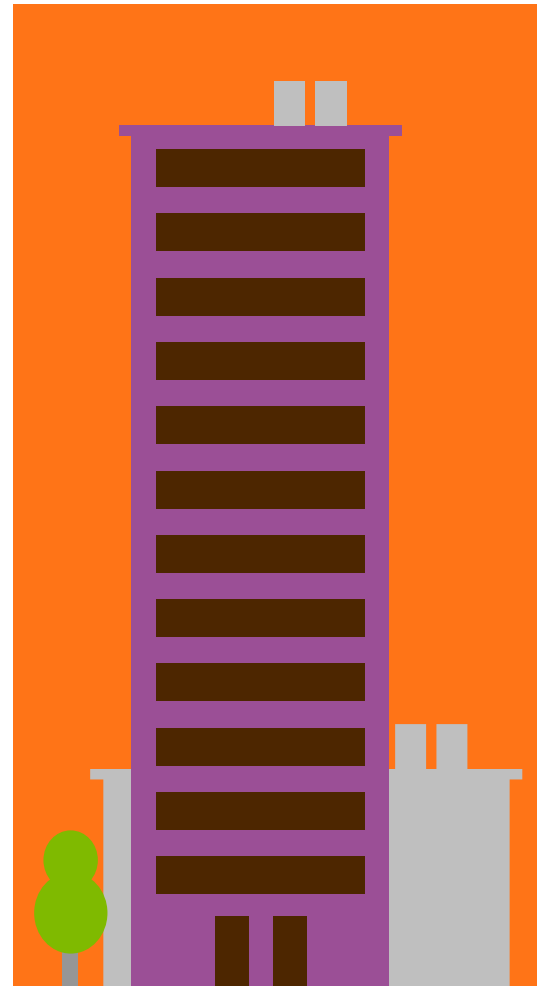

Paperclip Law Corporation

"i-worx's delivers a **professional, reliable, and easy-to-access hosted desktop** that our lawyers need to work together."

Miller Titerle & Co.

"We were using Google GMail, Dropbox, and some other free software, but you get what you pay for. We really felt the pinch when we opened our second location– **we knew we needed to upgrade from all our ad hoc, free software to a real business-class solution.**"

Vida
