

Datrose Named to 2020 Military Friendly® Employers List

Gold distinction reflects company's commitment to serving the Veteran community through their Salute and Recruit Program.

ROCHESTER, NEW YORK, August 15, 2019 - Datrose, a global leader in business process outsourcing, has announced their recognition as a 2020 Military Friendly® Employer with Gold Distinction by VIQTORY, the publisher of G.I. Jobs®. This recognition honors Datrose for its demonstrated commitment and success with Veteran employment practices.

Salute & Recruit Program

Not only does Datrose embody what it means to be a Military Friendly® employer by hiring Veterans internally, they continuously work to help other companies maximize their workforce by recruiting military. Datrose's Salute and Recruit Program connects transitioning and established military service members and spouses with employers that are seeking the highly skilled and talented Veteran candidates our nation has to offer.

"We're honored to be recognized as a Military Friendly® Employer," said Cheryl Leader, Datrose President and COO. "We've always valued the military community and have worked really hard to bring them aboard our team as well as other companies. Veterans, who are proven leaders, team players and problem solvers in diverse situations, often face barriers while searching for civilian employment. When you have Veterans struggling to find civilian jobs, and employers that are simply unaware of how Veterans make the ideal candidate, it creates a significant employment gap. That's exactly what our Salute and Recruit Program aims to change."

Datrose will be featured on the 2020 Military Friendly® Employers list in the upcoming December issue of the G.I. Jobs magazine. The list can be found at www.militaryfriendly.com.

About Military Friendly® Employers

The Military Friendly® Employers list is created each year based on extensive research using public data sources for more than 8,800 employers nationwide, input from employed veterans and responses to the proprietary, data-driven Military Friendly® Employers survey from participating organizations. The survey questions, methodology, criteria, and weighting were developed with the assistance of an independent research firm (EY) and an advisory council of educators and employers. The survey is administered for free and is open to all post-secondary schools and employers that wish to participate. Criteria for consideration can be found at www.militaryfriendly.com.
