

IP65 Rated Cart Mover

FACTORY SUPPLY INC.
3412 49th Street North
Saint Petersburg, FL 33710

Longevity

With an internal “fender” around the drive roller to deflect any splash up and a sealed speed control housing and handlebar, you won’t have to worry about any moisture reaching the delicate parts stored within these sensitive areas of the equipment.

Attachments

This cart mover has a variety of pre-engineered custom hitches available, which can connect securely to many cars, vehicles, bins or other wheeled loads.

Field Tested

Already in use by some of the largest Food and Pharmaceutical manufacturing companies, this cart mover is field tested and production ready.
