

Tugger, AT200 TOW

FACTORY SUPPLY INC.
3412 49th Street North
Saint Petersburg, FL 33710

Designed For

This tugger unit is perfect for safely towing loads where weight transfer is not possible, up to 4,400 lbs.

Movement

Attaching to any load with a draw bar, towing eye or ball hitch fitting is easy thanks to the coupling crawl function. This allows the operator to move the machine slowly and connect simultaneously. Controlled start acceleration gets the load moving safely and power steering provides effortless manoeuvrability.
