

Tugger, MT200

FACTORY SUPPLY INC.
3412 49th Street North
Saint Petersburg, FL 33710

Designed For

This tugger is the first and smallest electric tugger we have available. This tugger is designed to push, pull and steer wheeled loads weighing up to 4,400 lbs.

Movement

Internal weight packs provide the traction, the dual secured mast gives the machine a robustness and the AC drive motor ensures maximum power even at low speed. An automatic tiller cut off maximises operator safety and the option of an interchangeable battery ensures the machine is available for use 24 hours a day.
