

# Tugger, MT800+

FACTORY SUPPLY INC.  
3412 49th Street North  
Saint Petersburg, FL 33710

## Designed For

---

This tugger is designed to allow a single pedestrian operator to easily push, pull and steer wheeled loads weighing up to 17,600 lbs.

## Movement

---

As part of the MasterTug range, the MT800+ features a Finite Element Analysis (FEA) tested steel chassis and a durable planetary gear box. All couplings are made from zinc coated steel for strength and the industrial drive wheel is long-lasting and provides the perfect amount of traction.
