To Whom It May Concern,

We, Moteurs Leroy-Somer, 16015 Angouleme Cedex, France, are the manufacturer and supplier of alternators to FG Wilson (Engineering) Ltd for their entire range of generator sets.

All products sold to FG Wilson are supplied under the terms and conditions of an alternator supply agreement between Leroy Somer/Emerson Electric and FG Wilson/Caterpillar. These include the terms and conditions as set forth in the standard FG Wilson Generator Set Warranty Agreement.

For and on behalf of Moteurs Leroy-Somer,
