

Universal Space

Universal Space (UNIS) has introduced two new games: **Cowboy Shootout** and **Veggie Blast**. Cowboy Shootout is an exciting skill-based game that offers fast play with multiple moving and stationary LED targets where the player aims and fires. The more they hit the more points they win.

Veggie Blast is a video redemption game that debuted at the EAG Expo in January. Game play is simple: Blast the veggie characters with corn-cobs with force feedback action and win points. Both games are shipping to all global markets.

Stern Pinball

Stern Pinball Inc. recently announced the availability of the **Metallica pinball game (Pro Version)**. The newest addition to the Stern collection of rock 'n' roll machines honors one of the world's foremost rock bands.

Players will be able to bang their heads and their flippers to 12 classic Metallica hits including "Master of Puppets," "One," and "Fade to Black." Other action-packed game features include an electric chair, snake, grave marker, and unparalleled magnetic action.

"We are proud to release our newest music-themed game that was designed to capture the raw, rebellious nature of Metallica," said Gary Stern, Chairman and CEO of Stern Pinball.

Stern Pinball also announced the availability of a second Premium model Metallica pinball machine, **the Donny Premium Version**. The company sold out of both the U.S. and international allocations of its 500 Limited Edition (LE) games within an hour of each respective customer announcement.

The second Premium edition machine features the vibrant artwork of Dirty Donny Gillies and complements Stern's Metallica LE, "Road Case" Premium and Pro models.

The new Premium edition Metallica game boasts the same action-packed features as the Road Case Premium model and highlights the addition of Dirty Donny's radical pop art creations. Dirty Donny is considered one of the most influential artists in the pop culture scenes of underground rock, punk, and heavy metal. He is widely known for his creative work on concert posters, album covers, and vinyl toys.

For a glimpse of the game in action, Stern will be showcasing the Metallica pinball at Comic-Con International in San Diego this year with Nuclear Blast Records.
