

ASIA CLEAN ENERGY FORUM 2020

VISION 20/20: CROSS-SECTORAL INNOVATIONS FOR A SUSTAINABLE FUTURE

VIRTUAL WEEK AT A GLANCE

15-19 June 2020

	MORNING SESSION 10:30 am - 12:00 noon (Manila time)		AFTERNOON SESSION 2:00 pm - 3:30 pm (Manila time)		EVENING SESSION 8:00 pm - 9:30 pm (Manila time)
Deep Dive Workshops					
Monday 15 June 2020		Free time Participant Networking	Deep Dive Workshop Green Finance Policies in Asia (ADB Institute)	Free time Participant Networking	
			Deep Dive Workshop Sustainable Cooling Solutions for Asia and the Pacific Region (SEforALL/UNESCAP/UK-BEIS)		
Opening Plenary and Thematic Tracks					
Tuesday 16 June 2020	Opening Plenary Global Energy Challenges and Impact of the Covid-19 Pandemic	Free time Participant Networking	Session 1.1: Overview of NDC Implementation in Context of Climate Change in Asia and the Pacific	Free time Participant Networking	Side Event: Public Support for Renewables: Why and How (REN 21)
			Session 2.1: Economy-wide Energy Evolution		Side Event: Sustainable Urban Energy in Asia Pacific (APUEA and C40-Cities)
			Session 3.1: Harnessing the Oceans		Side Event: Cross Border Power Trade and Future Energy Markets (USAID India)
			Session 4.1: Planning for Resilient Energy Infrastructure and Supply Chains		Side Event: Indian Rooftop Solar (Ernst & Young, SUPRABHA TA Program)
			Session 5.1: Covid 19 and Energy Sector: Technical Perspectives and Opportunities		Sign up with Side Event Organizers through ACEF Agenda Page
Spotlight Session and Thematic Tracks					
Wednesday 17 June 2020	Spotlight Session Gender, Innovation, and Climate Change in ADB Projects	Free time Participant Networking	Session 1.2: Rural Clean Energy: A Crucial Solution for NDCs	Free time Participant Networking	Side Event: Utility Experience in Making Change to Achieve Gender Equality and Promote Women in Leadership (USAID)
			Session 2.2: Solar Energy – It's Not Just Electricity		Side Event: Measuring Energy Efficiency Results (ADB and EPS Capital Corp.)
			Session 4.2: High Level Technology and Innovative Design for Power System Resilience		Side Event: Blockchain Applications in the Electricity Sector (India Smart Grid Forum)
	Session 3.2: Planning, Designing, and Building for Climate Resilience		Spotlight Session: Addressing the Energy Trilemma and Energy Sector Resilience in India: Innovative Approaches		Sign up with Side Event Organizers through ACEF Agenda Page
Spotlight Session and Thematic Tracks					
Thursday 18 June 2020	Spotlight Session Scaling Energy Tech as We Enter the New Normal (Part 1) (ADB Ventures and PFAN)	Free time Participant Networking	Session 1.3: Technology Roadmaps for Key Technologies: Approaches and Findings	Free time Participant Networking	Side Event: U.S. Government Resources to Support Project Development (USAID)
	Spotlight Session Energy Access Amidst COVID 19 and Beyond (ADB and SEforALL)		Session 2.3: Air Quality Improvement Program in the Greater Beijing-Tianjin-Hebei Region		Side Event: GIS Tools for Smarter Energy Planning (The Stimson Center)
	Session 3.3: Solar Plus--Alternatives and Enhancements to Solar for Power Generation		Session 4.3: Managing for Resilience		Side Event: Accelerating Capacity Building and TA during Covid-19 (CIFF and Propel Energy)
			Session 5.3: The Impact of COVID-19 in Different Economic Sectors, and Opportunities		Side Event: Key Financing Principles for CCUS (CEM CCUS)
Deep Dive Workshops and Closing Plenary					
Friday 19 June 2020	Deep Dive Workshop Transition to Clean Energy: Pathways to Clean Energy Development in Asia and the Pacific (KEA)	Free time Participant Networking	Closing Plenary Rebounding from COVID-19 and Future Directions	Free time Participant Networking	Sign up with Side Event Organizers through ACEF Agenda Page
	Deep Dive Workshop Distributed Resources and the Sustainable Energy Transition in Asia (USAID)				
	Deep Dive Workshop Collaborative Initiatives on Energy System Transition with Innovative Technologies, Policies and Financing (METI)				
	Deep Dive Workshop Enabling CCUS Implementation in Asia (ADB/METI/UK-BEIS)				
	Deep Dive Workshop Green Finance for Cleaner Energy in SE Asia: Innovation and Acceleration (UK)				
	Spotlight Session Scaling Energy Tech as We Enter the New Normal (Part 2) (9:00 a.m. - 1:30 p.m.) (Sign up with the Organizer through the Agenda Page)				
End of Forum					

LEGEND:

	PLENARY SESSIONS
	TRACK 1: Enhancing Roadmaps for NDCs
	TRACK 2: Multi-sector Approaches to Clean Energy Development: Energy ++
	TRACK 3: FCAS and SIDS: Resilience in the Face of Fragility and Conflict
	TRACK 4: Building Energy Sector Resilience
	TRACK 5: Covid-19 Impacts on Energy Systems, and Policy Responses
	DEEP DIVE WORKSHOPS
	SPOTLIGHT SESSIONS
	SIDE EVENTS
