

Subject: Second Ave Subway Project - Saturday, August 18, 2012 Work Schedule

FDNY: Chief Kelty, Chief Donnelly
NYPD: PO Helms
Community Board # 8: Jacqueline Ludorf

Please note that EE Cruz/Tully JV is scheduling to work on Saturday, August 18, 2012 for the Second Avenue Subway Project. We typically work on certain Saturdays and have NYCDOT street permits which allow us to do so. However, we are scheduling to remove large steel road plates at the intersection of 2nd Ave & 94th St which requires us to implement a: 1) Full Street Closure of 94th Street between 1st Ave & 2nd Ave , 2) a Full Street Closure of 94th St between 2nd Ave & 3rd Ave, and 3) traffic lane reduction from 4 lanes to 2 lanes of traffic on Second Avenue between 95th Street and 93rd Street. We are requesting a street permit to implement these traffic measures to begin 10AM through 7PM.

We are required to notify your agencies of these NYCDOT street permit requests. Thank you.

Regards,

John F. McCarthy
