Middle School Applications Are Now Available

All 5th grade students (and 6th graders at K-6 schools) should submit an application for middle school. Elementary school staff members distribute applications to students; if you do not receive your application, please request it from your school. **Applications are due back to elementary schools by Friday, December 13th.** Private school students may request an application from a borough enrollment office. Click [here](#) for a list of borough enrollment office locations. Students will receive notification about their middle school placement in May.
