June 2011 Overnight Lane Closures

Ed Koch Queensboro Bridge

Community Boards Manhattan 8 & Queens 1 June 2011

During the month of June, The New York City Department of Transportation Division of Bridges will perform repairs, safety improvements and inspections on the Ed Koch Queensboro Bridge at three separate locations with both In-House and contract work crews. Please note carefully the lane closures associated with each work activity.

South Outer Roadway Closures

(Queens-bound)

Rumble Strip Installation

Saturday June 11th 1:30 a.m. to 7:30 a.m.
Mon - Thrs June 13th to June 16th 12:30 a.m. to 5:30 a.m.

This will continue the installation of rumble strips in the roadway pavement. They are designed through noise and vibration to attract the attention of the motorist approaching the curve in the roadway and the need to reduce travel speeds accordingly.

Damaged Bridge Railing Repairs

Wednesdays June 8th, 15th, 22nd 1:00 a.m. to 5:30 a.m.

This work includes repairs to bridge railings from motor vehicle damage.

North Upper Roadway Closures

(Manhattan-bound)

Bridge Inspection

Mon - Fri June 6th to June 10th 10:00 a.m. to 5:00 a.m.
June 13th to June 17th 10:00 a.m. to 5:00 a.m.

One of two lanes closed for routine bridge inspections. One lane will remain open at all times.

Director of Community Affairs Fred Herschkowitz is available to provide information about these projects at **212-839-6307**, or via email at fherschkowitz@dot.nyc.gov. For all NYC non-emergency services, including inquiries regarding NYCDOT construction projects, dial 311. Be prepared to give the following information so your call can be directed properly: your name and borough; the project name, and a return phone number.
