NOTIFICATION OF STREET CLOSURE FOR CONSTRUCTION

Distribution:

FDNY/EMS

NYPD

Community Board Eight

Surrounding Merchants and Residents

Re: C-26013 Construction of Part of Second Avenue Subway
Route 132A
86th Street Station – Open Excavation, Utility Relocation, and
Road Decking in Borough of Manhattan

Subject: **2nd Avenue Subway – Full closure on 87th Street between 2nd Avenue & 1st Avenue**

To Whom It May Concern:

To clarify the street closing notification for 87th street between 2nd avenue and 1st avenue previously sent out on 9/16/2010; this letter is being forwarded in accordance with NYC Department of Transportation requirements in order to inform you of the following street closure:

On Monday 9/20/2010 from 7:00pm thru 6:00am, and on Tuesday 9/21/2010 from 7:00pm thru 6:00am, 87th street will be closed to thru traffic between 2nd Avenue and 1st Avenue. Con Edison gas crews and J. D'Annunzio & Sons, Inc. will be performing the necessary gas main connections on 2nd Avenue across 87th Street.

Emergency access to 87th Street will be from the 1st Avenue side as there may be an open excavation preventing access from 2nd Avenue.

Please feel free to contact me if you have any concerns regarding this matter.

Sincerely,

Michael Bragg
Project Engineer
