Dear Constituent:

On behalf of the MTA Second Avenue Subway, the Community Board is soliciting comments regarding materials and finishes of the Ancillary Facilities.

The presentation made to the CB8 Second Avenue Subway Task Force at the October 12th meeting, illustrating and describing the various Facilities, from E. 96th Street to E. 63rd Street, is available on the MTA website: http://mta.info/capconstr/sas/documents/101012_cp.pdf. In particular, please see pages 106 – 122 for artists' renderings and dimensions of the buildings.

A printed copy of the 122-page presentation as well as a materials board, provided by the MTA, is available at the Community Board. The Board office is located at 505 Park Avenue, Room 620, at E.59th Street. Office hours are from 9 M – 5 PM, Monday through Friday. The phone number is 212 758-4340.

Please send your comments, suggestions, and opinions directly to the MTA at mta.info. On the home page, on the right side of the page, click on **FAQs/Contact Us**, then scroll down and click on **E-MAIL**. Fill in the form as indicated here:
