Lenox Neighborhood House is offering a Community Supported Agricultural (CSA) program this season in partnership with **Paisley Farm**, (<http://upstatefarmsny.com/home.html>) a 25-acre farm in Tivoli, NY owned and operated by Michael Kokas and Jan Greer.

Our goals are to serve our clients and the Upper East Side community and to support local sustainable agriculture in New York. Our relationship with Paisley Farm allows us to provide our very low-income clients with affordable high quality fresh fruits and vegetables at a very discounted price. Our CSA Season this year will run from **June through November**. Full Vegetable Shares will be \$580 for the season. Vegetable Shares will include 7-10 vegetable items (in varying sizes/amounts) each week. The cost of the full Vegetable Shares includes \$30 that has been allocated to help subsidize very low-cost shares for our low-income clients, specifically the parents of our ECC children and the Seniors we serve at both Senior Centers (these shares will be payable through foodstamps and over an extended payment plan option). Also available from Paisley Farm through the Lenox Hill Neighborhood House CSA this year will be Fruit Shares \$290 for 17 weeks, Egg Shares \$105 for 22 weeks, Cheese Shares \$290 for 19 weeks, and even Pork Shares from local pasture raised pork ranging from \$275 to \$325 (Note- you must purchase a Vegetable Share or be splitting a vegetable share in order to access these other share options). Distributions will take place outside of our Center @ Lenox Hill Neighborhood House at 70th Street and 1st Avenue, Thursdays from 4-6:30pm. Each member will be asked to sign up for 1-2 volunteer times to assist with distribution which will take place in 1 ½ hour sessions between 3:30-6:30 on Mondays. To sign up for a share, go to Paisley Farm's CSA page on their website at <http://upstatefarmsny.com/paisleyfarm.html>. There you can fill in your information and choose the shares you want from the list above. The sign up page requires a check number to process the payment. Paisley Farm does not accept credit card payments directly since they do not have the capacity to do so at this point, but they can accept payment through Chase via Chase QuickPay if that is a better option for you. **Please feel free to reach out to Miles Crettien (mcrettien@lenoxhill.org) if you have any questions.** You have the option of splitting a share, but this for the most part has to be organized by you (you can't purchase half shares directly from the farm). If you would like to split a share but don't have a partner let Miles know and he can potentially connect you to another member. **More information about workshop topics, volunteer sign-ups will be available on our Lenox Hill website (www.lenoxhill.org).**
