Dear Ms. Gotay:

At the May 9, 2012 Land Use meeting of Manhattan Community Board 8, the following resolution was adopted by a vote of 38 in favor, 2 opposed, and 0 abstentions.

WHEREAS there were several members from the public & the E. 86th Street Association,

WHEREAS the view of the committee was that this site is overly congested, the four corners of the intersection are under heavy construction, and the final outcome for bus stops, etc. will not be finalized for many years,

WHEREAS the committee felt that this location should have never been sent to Street life before further scrutiny by DCA & DOT,

WHEREAS the committee felt that this application was a burden on the applicant.

BE IT RESOLVED THAT the application is **DIS-Approved**.

BE IT FURTHER RESOLVED THAT these applications, should be vetted by the relevant agencies before being forwarded to Community Boards.

Please advise this office of any action taken regarding this matter.
